PRESIDENT BARACK C

Dear Rebecca,

Each night, I get the chance to read about 10 letters from people across the country who are inspiring. Some are heartbreaking. But each one compels me to keep moving forward. We've started together.

And as I read the stories, hopes and fears of people nationwide, I'm reminded of you and the American people when I was sent to the White House. I cannot

That's why I'm writing to you today to talk to you about the challenges ahead and what efforts it's going to take from Democrats — and from all Americans
